ALLUMAGE ELECTRIQUE (X901501)*

This technical drawing is an exploded view of a gas burner assembly. It shows the main burner tube (SE32010260G) and its various components, including the gas valve (G304040), the burner head (G701025), and the gas inlet (G207522). The diagram includes two circular insets, A and B, showing detailed views of the burner head and the gas inlet respectively. The components are labeled with their part numbers and some are marked with an asterisk (*). The diagram is oriented horizontally, with the burner tube running from left to right. The gas inlet is at the top right, and the burner head is at the bottom right. The main burner tube is in the center, with various fittings and components attached to it. The diagram is a black and white line drawing, typical of technical manuals.
